ADVANCED NUTRITION FORMULA™

FEEDING GUIDELINES:

Changes in your dog's feeding habits should be made gradually. For the first 7 days, it's best to mix ANF® with the food your dog is used to. ANF is nutritionally efficient, with no fillers, so dogs need smaller servings to satisfy their nutrition and energy requirements. For ideal weight, adjust serving size according to activity level. Provide ample fresh water.

RECOMMENDED FEEDING PORTIONS:
